

Holding Annual General Assembly of IBCCIM (2 June 2008)

According to the secretariat report, the tenth annual assembly of the Irano-British Chamber of Commerce, Industries and Mines (IBCCIM) was held on 2nd June 2008

on the activities of the chamber, especially the proper composition of its members and also its sending good services.

Then he strongly stated that

(12th Tir 1387) in the presence of the majority of the members at Iran Chamber of Commerce, Industries and Mines (IBCCIM).

At first the agenda was read by Dr. Amir Houshang Amini, The vice President and Secretary General of IBCCIM, and then H.E. Eng. Alinaghi Khamoushi, The President of the chamber started the event with welcoming the attendants and expressed his satisfaction

The Irano-British joint chamber is the most extraordinarily one among the others, also he wished the chamber the best of success doing its duties in current year. Moreover, he recommended the secretariat to hold more gathering and one or half a day special seminars in this current year and not to hesitate receiving and dispatching missions to and from Great Britain.

Afterward the meeting went through its agenda. The execu-

tive board report was read and submitted by the vice president and general secretary of the chamber, which was ratified by the present members after a short discussion.

Then, the IBCCIM's official accountant and inspector's reports were submitted by the auditor and legal inspector, Mr. Abdolmadjid Mahallati's representative which was also ratified by the members. After ratification of the reports the secretary general of the chamber read the plan and budget report for current year and answered some member's questions, then the plan and budget was also ratified by the members.

Finally, Mr. Mahallati was reappointed as chamber's official accountant and the main inspector and Mr. Manouchehr Bayat (BAYAT – RAYAN) as alternative inspector. And at the end of the meeting the Etellaat daily newspaper was chosen as the newspaper for printing the chamber's announcement. The meeting ended at 5:00 p.m.
